

Arts Centre Melbourne, Hamer Hall
17 SEPTEMBER 2014

Dear Students, Parents, Staff and Members of our College communities.

On behalf of the Principals of the Associated Catholic Colleges I extend a warm welcome to you all to the second 'ACCent on Music' Concert.

The Association started in 1948 with its primary focus on sporting competition. Since that time our program has grown to include Public Speaking, Debating, Chess, Drama, Art and Technology, Music and Student Leadership activities.

Tonight is the second time that we have brought together all the Colleges in the ACC to showcase the musical talents of our students. I would like to acknowledge all those involved in the preparation for the Concert. In particular, members of the Production Team Cindy Frost, Rachel Valentine, Carmelo Puglisi, Martin Macaulay, Doug Leutchford and Association Executive Officer Paddy McKenna, and the staff of Arts Centre Melbourne. It's also wonderful for our students to have the opportunity to work with iconic Australian Musician James Morrison and I thank James for his generosity.

I trust you will enjoy the Concert and find the talent of the young men in our Colleges as inspiring as we do.

Tony Paatsch

Thank You JAMES MORRISON

James Morrison is, by anybody's standard, a virtuoso in the true sense of the word. Besides the trumpet, this multi-instrumentalist also plays trombone, euphonium, flugel horn, tuba, saxophones, double bass and piano.

At the age of seven, he was given his first instrument, at nine he formed his first band and at 13 he was playing professionally in nightclubs. His international career developed just as quickly. At only age 16 James debuted in the USA with a breathtaking concert at the Monterey Jazz Festival.

Following this were performances at the big festivals in Europe including Montreux, Pori, North Sea, Nice and Bern - playing with many of the legends of jazz. Dizzy Gillespie, Cab Calloway, Woody Shaw, Red Rodney, George Benson, Ray Charles, B.B. King, Ray Brown and Wynton Marsalis to name a few. There were also gigs in the worlds most famous jazz clubs - The Blue Note and Village Vanguard in New York, the New Morning in Paris and Ronnie Scotts in London.

Now 51, James Morrison's career thus far has been diverse and perhaps not typical of most jazz musicians. He recorded Jazz Meets the Symphony with The London Symphony Orchestra conducted by Lalo Schiffrin, performed concerts at the Royal Albert hall with the London Philharmonic Orchestra and at the Royal Opera House, Covent Garden for Princess Anne. Royal command performances on two occasions for Her Majesty Queen Elizabeth II and

for US Presidents Bush & Clinton at Parliament House in Australia. In 1997, James was recognized for his service to the arts in Australia and awarded a medal of The Order of Australia.

He spends much time in education, doing master classes and workshops in many countries and presenting the James Morrison Jazz Scholarship at Generations in Jazz. An avid user of the latest technologies James is very involved in furthering the presence of jazz and music education on the Internet and also uses computers extensively in his writing, recording and performances.

When not writing film scores, composing or being patron of several youth orchestras, James relaxes in some fairly unconventional ways for a musician - flying his private plane or driving in a rally championship. His love of cars is well known, as he was a host on the TV program Top Gear Australia. The latest chapter in his diverse career sees James appointed as Artistic Director of the Queensland Music Festival - a State-wide music initiative who's vision is to 'transform lives through unforgettable musical experiences.'

It is a great privilege to have such an accomplished musician as a special guest and compere for 'ACCent on Music'. We welcome James' involvement and look forward to hearing him perform alongside the talented young men in the ACC combined ensembles.
