

Hamer Hall
The Arts Centre
17 September, 2008
7.00pm

On behalf of the Principal's of the Associated Catholic Colleges, I would like to welcome all parents, students, staff and friends of the ACC to tonight's concert.

The ACC, which started primarily as a sporting association in 1948, has broadened its program over the past decade to include public speaking, debating, drama, music workshops and student leadership.

This concert represents the first time that all ACC schools have come together to showcase the musical talents of their students. We hope that it is the first of many such events.

Thank you to those who assisted with the organisation of this event, put on for our enjoyment; Rob Deller, Paddy McKenna, Cindy Frost, Maureen Zampatti, Amy Wert and all of the Directors of Music from the ACC schools. Thank you also to Richard Gill for his involvement and The Arts Centre for hosting our event.

Sit back, relax and enjoy ! Let the concert begin.

Mark Sheehan, President, Associated Catholic Colleges

"ACCent on Music" is more than just a concert – it is a celebration of the commonalities that we all share through our involvement in Associated Catholic Colleges. Although our Association is based historically on a sporting competition, it has evolved over the past decade into a much more significant entity, encompassing chess, drama, public speaking, debating and of course music. All of these areas add considerably to the overall educational experience for the young men involved in our respective schools. This concert focuses on collaboration rather than competition, generating a spirit of unity and co-operation that form the very basis of musical harmony.

The aim of the ACC concert is to provide an opportunity for the best musicians within our schools to participate in combined works at one of the premier concert venues in Melbourne. We are very privileged to be at Hamer Hall tonight, but also honoured to welcome the involvement of one of the most respected conductors and music educators in Australia, Mr. Richard Gill OAM. Each school is also provided the opportunity to showcase a musical item in which they excel, with a variety of repertoire on show tonight.

The teamwork required to bring all of the pieces of this jigsaw together has been substantial. The generosity displayed by so many people has been a major factor in achieving our aim. Time and energy have been offered so enthusiastically on top of the normal daily tasks of school life, which have helped bring this concept to reality. My sincere thanks to all who have participated, especially instrumental staff in each of the ACC schools – I hope that you enjoy your involvement and understand your special part in the first ever event of this magnitude for the ACC. A special mention must be made to the Production Team – Rob Deller (Whitefriars), Cindy Frost (De La Salle), Maureen Zampatti & Amy Wert (both from St. Joseph's Geelong). They have been the driving force behind this concept and deserve the accolades stemming from the success of this event.
